

**Tier 1 Managed Investments —  
General Advice**

# Subject outline

## Subject overview

Tier 1 Managed Investments introduces students to the concepts of managed investments as they apply to retail clients. The principles underpinning the foundation, structure, regulation and risks associated with the managed investment industry are also covered. Students will be shown how to analyse and evaluate managed investments, and will gain an understanding of the documentation and tax requirements when dealing with retail client portfolios.

Upon successful completion, individuals will meet the education requirements of ASIC Regulatory Guide 146 (RG146) for providing general advice in managed investments to retail clients, subject to their Licensee approval and until otherwise announced by ASIC.

## Learning outcomes

Upon successful completion of Tier 1 Managed Investments — General Advice, students should be able to:

- Demonstrate their knowledge of the Australian financial services industry and the relevant legislation that applies to the provision of financial product advice.
- Demonstrate their knowledge of the Australian economy and financial markets and their effects on investment issues and risk management.
- Outline the characteristics and risks associated with managed investments.
- Demonstrate their knowledge of the regulation governing the product(s) and the taxation treatment of each.
- Analyse and evaluate products in relation to different client scenarios.
- Demonstrate technical compliance with RG 146 in managed investments.
- Provide general retail financial advice in managed investments and meet all compliance obligations for the provision of that advice.
